

7 NOV 1950

The Honorable Homer Thornberry  
207 Federal Building  
Austin, Texas

Dear Mr. Thornberry:

Thank you for your letter of 25 October 1950, regarding your constituent who is interested in employment with this Agency.

For reasons of security, there is very little detailed information which can be made available as to specific qualifications for employment here. Two qualifications which are helpful, however, are considerable experience in the field of intelligence and detailed knowledge of specific countries or areas abroad.

We are always interested in specially qualified personnel and should like the opportunity to consider the qualifications and background of your constituent in the light of current requirements. If you will have him complete the enclosed forms and return them to our Personnel Division, you may be assured they will be carefully considered.

With kind regards, I am

Sincerely,

WALTER B. SMITH  
Director
